RENEWED PETITION UNDER 37 C.F.R. §1.181(a)

Honorable Commissioner For Patents
P.O. Box 1450
Alexandria, VA. 22313-1450

Sir:

Reconsideration of the holding of abandonment is respectfully requested on the grounds that a complete reply to the requirement of formal drawings was timely submitted on **May 24, 2006**. A stamped receipt card showing receipt of the drawings and a copy of the drawings were submitted with the original petition on October 9, 2007.

Since the Notice of Allowance set a due date of **July 11, 2007** for submission of the drawings, and since the compliant drawings were actually submitted on **May 24, 2006**, it is respectfully submitted that Applicant did in fact comply with the requirement set forth in the Notice of Allowance.

Since compliant formal drawings were submitted **before** the due date of July 11, 2007, making the submission timely, it is respectfully submitted that the requirement for formal drawings was met and the application should not have been held abandoned.

In accordance with MPEP §711.03(c)(I), no fee is required for the filing of this Petition.

ALTERNATIVE PETITION FOR REVIVAL UNDER 37 CFR §1.137(b)

Should the renewed petition under 37 CFR 1.181 be dismissed, Applicant petitions for revival of the application under 37 CFR §1.137(b) on grounds of unintentional abandonment.

The abandonment of the application for failure to prosecute was an unintentional delay. The entire delay in filing the required reply from the due date until the filing of this petition was unintentional.

The required reply, in the form of formal drawings, has been twice submitted, on May 24, 2006 and again on October 9, 2007. The required fee for this petition under 37 CFR §1.16(a), is attached.

Respectfully submitted,
